

I-ACE Hackathon CSIRO Media Release Form

The I-ACE Hackathon will be publicly broadcast and the organisers, including CSIRO, plan to publicise the event in promotional material. This document records your permission for us to reproduce your image in those materials.

By ticking the box below, I grant permission to CSIRO and its subcontractors and affiliates involved in the I-ACE Hackathon to make a recording of my participation and performance in the I-ACE Hackathon, whether by audio, video, photograph or other means, including any submission made by me during the event or in applying to participate in the event (**Recording**).

I consent to the use of all or part of the Recording in any manner (including but not limited to broadcast or rebroadcast) by CSIRO, or any third party nominated by CSIRO, and acknowledge there will not be any payment or further consideration arising out of this use. I release CSIRO and its subcontractors and affiliates involved in the I-ACE Hackathon from any claim by me or another on my behalf arising out of my performance or participation in and any use of the Recording. CSIRO will deal with all recordings in a lawful and non-defamatory manner.

I agree that CSIRO will own any and all rights in relation to the Recording and I hereby assign to CSIRO all present and future copyright owned by me in the Recording.

I consent to the use of my likeness, voice and biographical material in connection with any use of the Recording.

I understand that the CSIRO will use the footage relying on my permission and consent.
