

World class pilot processing facilities

Collaboration Pathways

- **Adapt with the customers requirements** and commercial terms
- Primary remit is **R&D and commercialisation**
- Potential Collaboration Pathways

We can help with:

- **Licensing**
- **Contract Research**
- **Rapid Prototyping and Testing**
 - User experience – design thinking
 - Proof of business benefit (ROI) rather than concept (POC)
- **Commercial Validation**
- **Start-ups**
- **Joint Ventures**
- **Transfer of IP to scale-up**
- **Co-investment** (e.g. Individual/Multi-Program, Strategic Alliances)
- **Supply Chain Development** (multi-party arrangements)
